OPERATION SOMEBODY CARES - SHIPPING TO A LOCATION IN THE USA AND A LOCATION OUTSIDE THE USA

Inside the USA, we usually ship with United States Postal Service media mail. If we ship outside the USA, we usually use the Priority Mail Flat-Rate Envelope or the US Postal Service has a Priority Mail Flat-Rate Box. The US Postal Service has a small, a medium, and a large Flat Rate Box.

OPERATION SOMEBODY CARES REDUCED SHIPPING COSTS OF BOOKLETS AND GOSPELS TO THE PHILIPPINES AND TO US MILITARY ADDRESSES

We have discounted rates to ship to a US military address. There is a special rate to the Philippines. It is sent thru Balikbayan Box. It will cost around US\$125 to ship to Manila door-to-door. This price is subject to change. The size of the box is 24"x17"x24". We are able send up to 11,000 booklets in this box. If we send the Gospel of John or Romans instead of booklets, we will be able to send less quantity since they are larger. It takes between two to five months to get there. If you want to order more than 1,500 booklets for the Philippines, it is more economical to send them in a Balikbayan Box. For more information on the Balikbayan Box, please see http://en.wikipedia.org/wiki/Balikbayan_box

Please call Pastor Jason Alverson or Kenneth Edwards with Operation Somebody Cares to discuss the suggested offering to ship to a location outside the USA.
